Free Shred Days! In addition, we will have our shred bins available for anyone interested in getting rid of any personal documents you're still hanging onto. Bins will be available in both MCCU lobbies all week long. While you're there, sign up to win a free 12 sheet cross-cut paper shredder!

Have you had your Financial Check-Up?

Join MCCU's Resolution Specialist and Certified Credit Union Financial Counselor, Lisa Slaughter, as she shares her budgeting tips and tricks, best ways to save and will give you credit rules you can live by. Let Lisa show you how to create a budget, create a savings plan that works, and learn ways to improve your credit score. Contact Marshall District Library to register to attend (269.781.7821).
